12 Approaches that are followed by a best student!

1. Set goals. Be sure they are realistic and achievable. Make them small to start.
2. Establish rewards for progress towards your goals.
3. Expect set-backs and when they happen, re-direct and renew your energy towards your goals. Don't give up.
4. Use the power of positive thinking and believe in yourself. Overcome discouragement.
5. Tell others what you are trying to accomplish and seek support from your well-wisher.
6. Learn to say no to options and distractions that discourage you from your goal. Obstacles are what you see when you take your eyes off the goal.
7. Establish routine and regular exercise; meditation, prayer or yoga, even if it is only 15 minutes a day to start. This will help you to cultivate Discipline.

8. Use positive imagery to help you achieve your goals. Imagine yourself as you will be and feel when your goal is achieved.
9. Spend time reflecting or talking to others about what has stopped you from achieving your goals in the past.
10. Post reminders and inspirational quotes in prominent place about what you want to achieve.
11. Get professional help and support to overcome physical or mental roadblocks (depression and anxiety etc.,) and to boost your efforts, no matter how small they may seem
